Criminal Justice Mission Statement

The Department of Criminal Justice offers a curriculum that will provide students with a thorough understanding of the Criminal Justice system and its interrelationship with society. The courses will also give students in-depth knowledge about the crime problems in this society, the perpetrators of crime, and theoretical causes of crime. This foundation will prepare students for successful careers in law enforcement, corrections probation/parole, juvenile justice and law school. Completion of the program will also enhance opportunities for career advancement for those already employed in criminal justice careers.

The Department of Criminal Justice is committed to providing students with a knowledge of and sensitivity for multicultural, race and gender issues within the criminal justice system and the larger society.
