**West Virginia State Community and Technical College
Associate Degree Nursing Program**

Positions Available: Medical-Surgical Nursing Faculty and Clinical Nursing Instructor

Nursing Faculty: West Virginia State Community and Technical College is seeking applications for two fulltime nine-month, renewable term, faculty positions in Nursing, effective January 14, 2009. Responsibilities include teaching both classroom and clinical components of medical-surgical (one basic & one advanced) courses in this Associate Degree Nursing Program. Responsibilities include ongoing course development, implementation and assessment in both classroom and clinical settings. Expectations include service to students, professional development and service to the institution and community.

Educational Requirements: Masters Degree in Nursing from a regionally accredited institution, two years recent clinical experience and unrestricted WV RN license. Previous nursing education experience is preferred, as well as aptitude for using technology for instructional delivery. Demonstration of teaching effectiveness is part of the on-campus interview.

Review of applications will begin immediately and continue to be accepted until the position is filled.

Clinical Instructor: This is a part-time, renewable term position supervising 4th semester students in high acuity hospital settings for two eight-hour days per week.

Educational Requirements: Baccalaureate Degree in Nursing, two years recent clinical experience (critical care preferred) and unrestricted WV RN license.

Salary: Commensurate with education and experience. Minorities and men are encouraged to apply.

Review of applications will begin immediately and continue to be accepted until the position is filled.
