**West Virginia State Community and Technical College
Associate Degree Nursing Program**

Nursing Faculty: West Virginia State Community and Technical College is seeking applications for a fulltime nine-month, renewable term, faculty position in Nursing, **effective August 18, 2009.** Responsibilities include teaching both classroom and clinical components of basic medical-surgical courses in the Associate Degree Nursing Program. Responsibilities include ongoing course development, implementation and assessment in both classroom and clinical settings. Expectations include service to students, professional development, and service to the institution and community.

Educational Requirements: Masters Degree in Nursing from a regionally accredited institution, two years recent clinical experience and unrestricted WV RN license, and reliable transportation. Previous nursing education experience is preferred, as well as aptitude for using technology for instructional delivery. Demonstration of teaching effectiveness is part of the on-campus interview.
