

Kanawha Valley Community & Technical College
Position Available: LPN-RN Faculty

Kanawha Valley Community and Technical College invites applications for a full-time twelve-month term faculty position beginning in January, 2010. This individual will be responsible for teaching both classroom and clinical components of the program. Applicants with educational experience in both LPN and AD nursing programs are of particular interest. Responsibilities include on-going curriculum development, implementation and assessment in both classroom and clinical settings. Expectations include service to students, professional development and service to the institution and the community.

Educational Requirements: A Masters Degree in Nursing, recent clinical and nursing education experience and an unrestricted RN license are required. Previous nursing education experience is preferred, as well as aptitude for using technology for instructional delivery. Demonstration of teaching effectiveness is part of the campus interview.

Salary: Commensurate with education and experience. Minorities and men are encouraged to apply.
