

Kanawha Valley Community & Technical College
Position Available: Mathematics Faculty

I N T E R N A L P O S T I N G O N L Y

Kanawha Valley Community and Technical College invites applications for two full-time, nine-month, temporary, mathematics faculty positions beginning in January 2010. Applicants with educational experience in Developmental Math, College Algebra and Technical Math are of particular interest. Responsibilities include on-going curriculum development, implementation and assessment. Expectations include service to students, professional development and service to the institution and the community.

Educational Requirements: A Masters Degree in Mathematics with teaching experience in Developmental Math, College Algebra and Technical Math are required. Previous community college teaching experience is preferred, as well as aptitude for using technology for instructional delivery. Demonstration of teaching effectiveness is part of the campus interview.

Salary: Commensurate with education and experience. Minorities are encouraged to apply.

For more information contact Dr. Akinkuoye at (304) 766-3248.

Kanawha Valley Community and Technical College is an equal opportunity, affirmative action institution that does not discriminate based on race, color, religion, sex, national origin, age, disability, or veteran status in its employment, programs, activities.

To apply, send resume, copies of transcripts, and names and contact information of three professional references to:

Dr. Nicholas Akinkuoye, Vice President for Academic Affairs
Kanawha Valley Community and Technical College
PO Box 1000 – Cole Complex 102
Institute, WV 25112-1000

Review of applications will begin immediately and continue to be accepted until the position is filled.
