WHEREAS, no deadline for catalog submission is in effect; and

WHEREAS, the April meeting becomes the de facto deadline for catalog submission for the Fall; and

WHEREAS, initial submission of proposals at the April meeting allows for no time to rehabilitate or complete defective or incomplete proposals;

THEREFORE BE IT RESOLVED: That all changes to the catalog to be effective in the Fall semester of a given calendar year must have been submitted to the Educational Policies Committee not later than the posted deadlines for the February meeting; similarly, all changes to the catalog to be effective in the Spring semester of a given calendar year must have been submitted to the Educational Policies Committee not later than the posted deadlines for the October meeting of the previous calendar year.

Respectfully Submitted,

Sam Swindell
Chair, EPC
