Tenure-Track
Assistant Professor of Chemistry
College of Natural Sciences and Mathematics

West Virginia State University:
West Virginia State University (WVSU) is a public-land grant institution, which was founded in 1891 as a Historically Black College and University (HBCU), and has evolved into a fully accessible, diverse, and multi-generational institution serving approximately 3,500 students. The University is a community of students, staff, and faculty committed to innovative teaching and learning, research and service that offers 23 undergraduate and seven graduate degrees through its four colleges, and competes in athletics at the NCAA Division II level in five men’s sports and six women’s sports. WVSU is located in Institute, WV, a suburb of Charleston, the largest city and the capital of West Virginia. With more than 300,000 people living in the metropolitan area, it is an active, exciting and engaging community, boasting cultural and historical events, music, festivals and entertainment.

Position Description
The Department of Chemistry and Physics at West Virginia State University invites applications for a tenure-track Assistant Professor of Chemistry with a concentration in Organic or Bioorganic Chemistry. The Department is housed within the College of Natural Sciences and Mathematics and has three chemistry degree options, one of which is approved by the American Chemical Society. The candidate should have the ability to teach undergraduate courses in general, nursing, and organic chemistry. The candidate is also expected to prepare external and internal grants, engage in research, participate in service activities, and advise students.

Responsibilities for the Assistant Professor of Chemistry
The candidate should have the ability to teach undergraduate courses in areas such as General, Organic I and II, Upper level courses in their area of specialty, nursing, and chemistry for nonmajors. The ability to teach other courses will be considered. This position will need to obtain internal and external grant funding to build an active undergraduate research group. The candidate is also expected to engage in research that is publishable in peer-reviewed journals and present at professional conferences, participate in service activities, and advise students.
students. The ability to offer online courses (in addition to in-class courses) is desirable. Other duties may be assigned.

**Requirements for the Assistant Professor of Chemistry**
Candidates must hold a terminal degree in chemistry by the time of appointment. **The appointment start date is August 2023.**

**Salary Statement**
Salary will be commensurate with qualifications and experience

**To Apply:**
Please submit a cover letter, teaching philosophy, current vita, and copies of academic transcripts (originals required upon acceptance of job offer), and the names and email addresses or phone numbers of three professional references by October 15, 2022. This posting will remain open until filled; however, first consideration will be given to applications received by October 15, 2022.

For additional information regarding this position, please contact Dr. Micheal Fultz, Chair of the Department of Chemistry and Physics. Phone: (304) 766-3106; Email: mfultz@wvstateu.edu

Please submit application materials via email to jobs@wvstateu.edu or mail to:
