West Virginia State University

Founded in 1891, West Virginia State University (WVSU) is a public-land grant institution, which was originally founded as a historically black university, but which has evolved into a fully accessible, racially integrated and multi-generational institution serving approximately 3,500 students. The University is a community of students, staff, and faculty committed to academic growth, service and preservation of the racial and cultural diversity of the institution. WVSU offers 23 undergraduate and seven graduate degrees through its four colleges. WVSU competes in athletics at the NCAA Division II level in five men’s sports and six women’s sports. WVSU is located in Institute, WV, a suburb of Charleston, the largest city and the capital of West Virginia. With more than 300,000 people living in the metropolitan area, it is an active, exciting and engaging community, boasting cultural and historical events, music, festivals and entertainment.

Position Description

The Department of Mathematics and Computer Science at West Virginia State University invites applications for a full-time Instructor of Computer Science position starting Spring 2022. This position is renewable annually depending on teaching performance and institutional need.

Responsibilities include teaching elementary computer science courses and participation in department and university committees. Normal teaching load is 15 credit hours per semester. Ability to teach elementary mathematics classes is a plus. The successful candidate is expected to have teaching experience at secondary and post-secondary levels. Successful candidate will need to complete a background check.

A Master's degree in Computer Science or a related field is required with a strong commitment to teaching undergraduates.

Salary Statement
Salary will be commensurate with qualifications and experience.

Appointment Status
This is a 9-month, full-time, benefit-eligible, instructor position.
**Proposed Starting Date**
The anticipated start date for this position will be at the beginning of the Spring 2022 semester.

**To Apply**
Please submit a cover letter; resume; copies of academic transcripts (originals required upon acceptance of job offer); and the names and email addresses or phone numbers of three professional references (at least one for teaching) by December 6, 2021. This posting will remain open until filled; however, first consideration will be given to applications received by December 6, 2021.

For additional information regarding this position, please contact Dr. Xiaohong Zhang, Chair of the Department of Mathematics and Computer Science. Phone: (304) 766-3398; Email: zhangxi@wvstateu.edu

Please submit application materials via email, mail, or in person to: jobs@wvstateu.edu or mail to:
