

Memorandum of Understanding

April 3, 2015

All IDS courses (content, instructors, etc.) must be approved by vote of all faculty within the colleges that sponsor the categories being fulfilled by that course. For example, the IDS course "History of Wellness" must be approved by votes of the Colleges of BSS and PS. Other existing procedures still apply (i.e., signature of Deans, approval by Gen Ed Committee, EPC, Faculty Senate, VPAA).
